

Festive Maths Riddles!

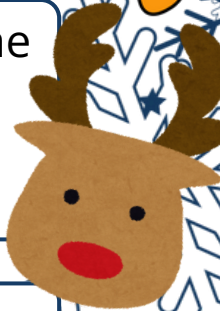

Issy counts 8 snowflakes, and Leila counts three times as many as Issy. How many snowflakes do they count?

24

There are 152 reindeer in the stable. Then 100 more come in from the snow. How many reindeer are there now?

252

In the toy workshop, there are 6 tables. Each table has 8 elves working at it. How many elves are there in the workshop?

48

Sumdog hang 100 red baubles, 155 gold baubles, and 55 silver baubles on the Christmas tree. How many baubles are there in total?

310

There are 268 cards to write. Santa finishes 78 of them. How many cards are left to write?

190

Challenge

The elves bake 120 cookies. 5 elves eat 6 cookies each. The rest are shared equally: 10 cookies per plate. Santa's plate must have 12 cookies. Then the elves give 2 plates to the reindeer. Question: How many plates do the elves have left for themselves?
